2012 OPhA/PPok  
Annual Convention

As President of OPhA this year, I would like to personally invite you and your family to attend The 2012 Annual Convention hosted by the Oklahoma Pharmacists Association and Pharmacy Providers of Oklahoma. This is an exciting once-a-year event with lots of fun and activities planned, including 15 hours of continuing education designed to help improve patient healthcare outcomes, learn new and innovative professional skills that will help grow your business in today's competitive marketplace, and learn about how new technology is shaping the future of pharmacy.

The Gaylord Texan® overlooking Grapevine Lake, is an ideal location for our convention and you'll be amazed at the 4 ½ acres of indoor gardens and winding waterways. Within this lush landscape you'll discover fine dining and causal restaurants, unique shopping experiences, an upscale European -inspired Spa featuring 12 private and lavish treatment rooms for exclusive luxurious treatments spa, and fitness center. For late-night excitement there is live music and dancing. One of the most exciting new features at the Gaylord Texan for fun family activities is the sprawling 10-acre resort pool – open to guests of the Gaylord Texan. Enjoy a 600 ft lazy river, a walk-in beach, a full service bar and grill, and a game pavilion featuring bocce ball, croquet, shuffleboard and much, much more!
